Built for extreme durability, **RedRock zirconia liners** redefine reliability in mud pump performance. Redefining efficiency and endurance, these high-performance liners offer superior resistance to wear, corrosion, and thermal stress—ensuring maximum longevity in the most demanding drilling environments.

Zirconia's exceptional hardness and toughness minimize downtime while optimizing pump efficiency, making **RedRock liners** the ultimate choice for operations that demand uncompromising strength.

Elevate your equipment's resilience with **RedRock** —where innovation meets endurance.

Liner	Ceramic-Zirconia	Ceramic-Zirconia 
Max pressure	7,500	7,500
